14. Thank You for A Great Year!

As we come to the close of another meaningful school year, I would like to express my deepest gratitude to our dedicated teachers for their love, care and steadfast commitment to nurturing each child's holistic development. Their tireless efforts in guiding our students, not just academically, but also in character and well-being, truly exemplify our shared spirit to *uplift and uphold* every learner who walks through our gates.

To our parents, thank you for your unwavering partnership and trust as we journey together in shaping your children's growth. And to our students, your curiosity, zeal and joy in learning have made this year a truly fruitful one. We are proud to see you growing into *confident persons, adaptable learners, respectful contributors and engaged citizens*. May we continue to *uplift and uphold* one another as we look ahead to

new opportunities for learning, leading, and living with compassion.

At this year-end break, I encourage everyone to take time to rest, recharge and reconnect as a family. These moments of shared laughter, meaningful conversations and simple joys strengthen the bonds that nurture our children's well-being. Let us help them find balance by managing screen time thoughtfully and cultivating good sleep habits so that their minds and bodies are refreshed. We look forward with hope and anticipation to a brand-new year of learning and growth in 2026.

Yours sincerely,
